

THE PARACHUTE PROJECT CONSENT

Your child has been invited to take part in The Parachute Project. This is a global arts initiative to help communities move forward in recovery following the pandemic. The purpose of this project is to upcycle the pandemic masks in a global arts initiative, promoting resilience.

Participation in this project may involve the decoration of a mask, photograph, and submission of the decorated mask to a group art installation.

- Participants are invited to decorate a mask. Mask can be used, new or even homemade with paper or fabric.
- The participant can upload a self-portrait photograph wearing the decorated mask. All participants can choose how they would like to be identified. **Only first names, initials, or nicknames will be used.** Participants can also choose to share a state and country location.
- The images will be uploaded to The Parachute Project site. All identifying information will be safely secured.
- Decorated masks can be mailed to:
